SAPPHIRE BOOKS | <http://www.sapphirebooks.com>

Nic Caldwell has served her country; met Clair, the woman of her dreams; and has reached the rank of Lieutenant Colonel. Things couldn't be better, and then it happens: A sudden assignment to Afghanistan derails any thoughts of marriage and wedded bliss. Another combat zone. Another tragedy. And Nic suddenly finds herself again fighting for her life.

Will Nic survive Afghanistan? Or will her overseas assignment divide her once happy home?
